12. LIABILITY:

The attention of all competitors is drawn to the fact that participation in the contest is entirely at their own risk and no responsibility for damage or injury resulting there from will rest with the organizing authority, the Class Association, the host club or any other person(s) connected with the running of the regatta.
Over and above that we ask that you ensure that your vessel is in a seaworthy state as the winds and waves in this area can become heavy. Life jackets are compulsory, to be worn whilst racing.
As the racing area in which we intend to sail is very large the organizing committee requests that each respective entrant be prepared to work on a “buddy system” whereby each class will be expected to see to it that their fellow yachtsmen don’t end up in difficulties. The NSRI has been invited to assist with rescue.

Nautical Nomads Sailing Society’s fundamental rule is that no “politics” or bad sportsmanship will be tolerated; we ask that all negative attitudes be left at home when sailing with us and enjoy our great sport
