

**15 & 16 November 2003**

***We have lots and lots of water to sail on!***

Hosted by Lake Deney's Yacht Club, open to every class of catamaran, the Vaal Catamaran Championships is being sailed on 15<sup>th</sup>-16<sup>th</sup> November

Course racing, dependent on weather conditions, is scheduled to start not before 13h00 on Saturday 15<sup>th</sup> November. The last race will begin not after 15h00 on Sunday, weather permitting. Racing rules are available at the club website.

Our caterers at 'The Wharf' will be providing meals from Friday dinner to Sunday lunch, as well as snacks. Free camping facilities and ablutions are ample. If you would rather enjoy more civilised overnight accommodation, the club cottage is also available for rental, or any one of several guesthouses in Deneysville can be utilised.

The Bar will of course be open 'til late on Friday and Saturday night to support the partygoers, and we will enjoy a live band for as long as you can stand. 'Trick or Treat' is the theme for the night with children's entertainment on hand with prizes for the best costume.
